This screenshot shows a complex grid of course selection options. The interface is heavily stylized with a dark background and vibrant colors like red, green, and blue. It features multiple columns and rows of course information, including course names, credits, and selection status. A prominent red button is visible in the upper right corner, and a '安全退出选课' (Safe Exit Course Selection) button is in the top right. The overall layout is dense and visually busy.

This screenshot shows a web browser window displaying a course selection page. The browser's address bar shows the URL: 42.49.134.163:20016/yxsxsbj/xsxxk/xsxxk_indeX.jsp?050_zbld=16A9867187612878010017051475000. The page content includes a search bar with the text '课程名称' (Course Name) and a dropdown menu. Below the search bar is a table with columns for course details. The table has a header row with columns for '课程名称' (Course Name), '课程学分' (Course Credits), '学分' (Credits), '课程性质' (Course Type), '上课时间' (Class Time), '上课地点' (Class Location), '上课教师' (Class Teacher), '选课状态' (Selection Status), and '操作' (Action). The table contains several rows of course data, with some cells highlighted in red. The main content area of the website features a large, blue-tinted image of a building complex, likely a campus or library. Below this image is a row of five smaller, square images showing different views of the campus. At the bottom of the page, there is a grid of text blocks, likely containing news or announcements, arranged in three columns and two rows.
